

To support our international consortia, we seek to expand our team in Worms (Germany) with a motivated

Project Manager – Consortia

We at **CHEMSERVICE** support our clients in the review, implementation and observation of national and international chemical regulations. Due to our flat hierarchies, our efficient work processes and the ability to react quickly and flexibly to requests, Chemservice has developed into one of the leading global consultancies to the chemical industry and its value chain over the past 14 years. We are committed to the professional and personal development of all our 70 employees located in Europe, South Korea and the United States. We are constantly developing ourselves in order to continue providing our clients with the best possible advice and giving them a competitive edge.

You...

- support our international consortia;
- handle data and cost sharing requests in accordance with international chemical regulations;
- set up and manage cost calculations;
- prepare appropriate agreements;
- manage your projects self-dependently;
- develop creative problem-solving strategies;
- question existing processes and develop conceptual adjustments and improvements as part of a team.

Your profile:

- Ideally, you have a university degree in natural/environmental sciences, economics or engineering, or a comparable educational profile or relevant professional experience.
- You have very good communication and presentation skills in English and German.
- You enjoy complex tasks and you are ready for a new challenging field of activities.
- You are skilled in interdisciplinary and solution-oriented thinking.
- You are a team player and work in a self-dependent, reliable and structured way.

We offer you:

- a full-time, permanent job in a dynamic team;
- sound training in your area of responsibility;
- the opportunity to actively shape your projects;
- flexible working time;
- a casual and pleasant working environment;
- a fair, performance-based compensation.

Interested?

We are looking forward to your application!
